

Session 4 Handout

1. After the resurrection, Jesus appeared to His disciples who were gathered in a locked room. Why did Jesus blow on them in that place?
2. A man named Saul of Tarsus was miraculously converted to Christianity and became known as Paul, “the apostle to the _____.”
3. How many of the 27 New Testament letters were written by Paul?
4. Can you name 3 or 4 important contributions that Christians have made to the world?
5. When does the Bible say that Jesus will return?
6. Who will be judged at the Great White Throne Judgement?
7. The remarkable symmetry found in the Bible is demonstrated in how the story begins and ends. Genesis 1 and 2 describe a paradise on earth. Genesis 3 describes the fall of man and the devastation of the earth. Revelation 20 depicts the final cure for man’s original sin. Revelation 21 and 22 describes the paradise referred to as “the new heaven and the new earth.”
