# Koranic Bridging

**The Problem: Islam Teaches**

- Jesus is not God
- Jesus did not Die
- The Bible is Corrupt

*Engaging Muslims in Casual, Spiritual Conversation*

## The Uniqueness of Isa Al Masih

**Surah al Imran, ayat 3: 40-55**

Isa Al Masih was born to a virgin named Mary

### Like Adam

1. Created by Allah
2. Has No earthly Father

### Like No Other Prophet

3. Heal the sick
4. Raise the dead
5. Create life
6. Was sacrificed by Allah
7. Was raised from the dead by Allah

Why is this important? Can any other?

## Good Works Fall Short

### The Myth:

I will go to Paradise if my Good-Works outweigh my Bad-Works.

### The Problem:

If Adam, for one sin, was cast out of paradise, how can we expect to get in.

### The Solution:

Allah's Perfect Corban

**Have You heard of the  
3 Corbans that Allah Provided?**

## The 3 Corbans of Allah

### First Corban

- Performed by Allah for Adam
- Allah killed an animal and covered Adam with the skin.
- Adam was cast out for one sin

*Adams' children killed and it has continued to following generations*

### Second Corban

- Performed by Abraham
- Allah provided a substitute sacrifice

*Abraham took his son up the mountain, but Allah provided the sacrifice*

### Third Corban

- Allah sacrificed Isa Al Masih, the sinless, holy Lamb.
- Allah raised Isa from the dead.

Do you want to receive the perfect Corban that Allah has provided, so that you may go to paradise with me?

Yes

The Sinners Prayer

No

Then, may I pray for you that Isa Al Masih will reveal Himself to you?

Allah = God

Corban = Sacrifice

Isa Al Masih = Jesus the Messiah
