

SINGLE AND THRIVING

8 Principles to Remember

01

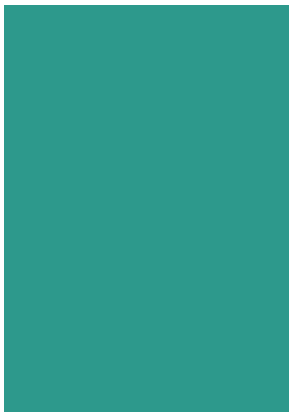

The reason we have a marriage problem is because we have a dating problem

02

Marriage would be the hardest thing you'll ever do

03

The habits you create today will affect the marriage you have tomorrow

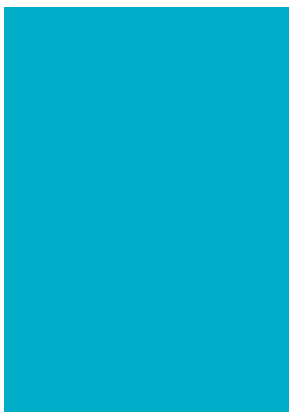

04

If Jesus is not your best friend then pain is awaiting around the corner

05

You're not just marrying a person but also that person's family

06

You may never be married

07

You get married to give, not to get

08

Desperation in dating leads to bad decisions
