Easter

**Dr. Conway Edwards, Lead Pastor**

"O-N-E—what does that mean?" The name is derived from John 17:21, "...that all of them may be one, Father, just as you are in me and I am in you." The "O" represents the oneness modeled by Christ and the Father. Inside the "O" is the cross of Christ by which we are eternally free. The "N" represents the heart of Christ and newness of life. The "E" represents the belonging of everyone. This Easter it is our prayer that we would all be ONE. If you do not have a personal relationship with Christ we invite you to take that step today. His Gift of grace is free and life changing! Please text "Next" to 469-609-1909 if you are ready to change your life!

*Isla*

Isla is a passionate 3rd grader who serves as member of the elementary kids leadership team here at One Community Church. She brings her unique gifts as an artist and designer and is fired up about communicating the truths of God's Word and how they apply to her everyday life. With a heart to serve, Isla carries out OCC's mission of being a church where no one walks alone. She does an amazing job of noticing and welcoming kids who may not get called out during the Midweek Show Watch Party on Wednesdays. When asked why we as a leadership team should be excited about honoring the privilege of being in the room by putting ourselves last, Isla said, "Because it's what God wants us to do, and He has given us the privilege of honoring each other and putting ourselves last."
