A Church Where No One Walks Alone

Dr. Conway Edwards
Lead Pastor

"O-N-E–what does that mean?" The name is derived from John 17:21, "...that all of them may be one, Father, just as you are in me and I am in you." The "O" represents the oneness modeled by Christ and the Father. Inside the "O" is the cross of Christ by which we are eternally free. The "N" represents the heart of Christ and newness of life. The "E" represents the belonging of everyone. It is our prayer that we would all be ONE. If you do not have a personal relationship with Christ we invite you to take that step today. His Gift of grace is free and life changing! Please text "Next" to 469-609-1909 if you are ready to change your life!
